

2009 Rotary Club Of Picayune Christmas Food Basket Distribution

Rotarians discuss the process

A short breakfast meeting to energize the troops

Students help organize the donated canned goods

Almost ready to fill the baskets

2009 Rotary Club Of Picayune Christmas Food Basket Distribution

All of the boxes (approx. 100) are laid out and the canned goods are being placed first in the bottom

The process continues with the addition of the Rotary donated perishable items such as hams, rice, beans, potatoes, onions, apples, and bread.

Ready for distribution . All potential recipients are notified of the time and place prior to actual distribution

2009 Rotary Club Of Picayune Christmas Food Basket Distribution

Nearing the end of a fulfilling day, Rotarians await the arrival of the many recipients of the over loaded Christmas food baskets. All surplus foods are loaded up and taken to a local charity for continued distribution
